WHO WE ARE

Triple Crown Services is a licensed motor carrier established in 1986 to provide intermodal transportation services.

A wholly owned subsidiary of Norfolk Southern Corporation, Triple Crown offers IMCs the peace of mind that comes from over 30 years of drayage experience.

- › 99% on-time performance
- › 24/7 Customer Support
- › Competitive Rates
- › ELD Compliant

DRAYAGE QUALIFICATIONS

- › Real-time status updates via Qualcomm
- › Paperwork available within 24 hours
- › UIIA Participant

Triple Crown's sister company, Thoroughbred Direct Intermodal Services (TDIS), is in its fourth decade of providing intermodal solutions to third-party logistics companies, brokers, steamship lines and trucking companies.

Along with offering standalone drayage service, Triple Crown also partners with TDIS to create door-to-door intermodal solutions.

WHO DRIVES FOR US

Triple Crown has over 130 drivers under contract with an annual turnover rate under 25%. Triple Crown drivers are compliant with all D.O.T. requirements, thus ensuring that only experienced drivers with safe driving records and late model tractors are moving your freight.

- › TCS' accident frequency is less than 1% per million miles.
- › TCS has been 100% ELD compliant since 2010 thanks to our in-cab Qualcomm technology.
- › Most drivers are HazMat certified.
- › FMCSA Satisfactory Rating in all categories.
